

GLOBAL GOALS WEEK

SEPTEMBER 19 - 28, 2025

About

Global Goals Week mobilizes communities, demands urgency, and supercharges solutions for the Sustainable Development Goals (SDGs). Our shared future and the achievement of the Global Goals will be determined by our solidarity – how we work together across borders, nationalities, sectors and generations. This year's Global Goals Week dates are **September 19 to 28, 2025**.

In 2015, Member States of the United Nations made a universal promise to leave no one behind through the 17 SDGs. One year later, Project Everyone, UNDP and the UN Foundation came together to honor that promise by launching **Global Goals Week, an annual week of action, awareness, and accountability for the SDGs.**
