

# GLOBAL GOALS WEEK

SEPTEMBER 19 - 27, 2026

## About

**Global Goals Week mobilizes communities, demands urgency, and supercharges solutions for the Sustainable Development Goals (SDGs).** Our shared future and the achievement of the Global Goals will be determined by our solidarity – how we work together across borders, nationalities, sectors and generations. This year's Global Goals Week dates are **September 19 to 27, 2026.**

In 2015, Member States of the United Nations made a universal promise to leave no one behind through the 17 SDGs. One year later, Project Everyone, UNDP and the UN Foundation came together to honor that promise by launching **Global Goals Week, an annual week of action, awareness, and accountability for the SDGs.**
